Case No. 2:13-cv-00702-JRG

**STIPULATION REGARDING REPRESENTATIVE PRODUCTS**

In order to streamline the issues at trial, Plaintiff Nichia Corporation (“Plaintiff”) and Defendants Everlight Electronics Co., Ltd. and Everlight Americas, Inc. (collectively, “Defendants”), by and through counsel, have stipulated that each of the accused Everlight products listed in the attached Exhibit 1 is representative of the other accused Everlight products in the same product series, as listed in the attached Exhibits 2-10, for the listed asserted claims. Plaintiff and Defendants further stipulate that only the IAL/TAEUS Reports listed on attached Exhibits 2-10 for the accused Everlight products listed on the attached Exhibit 1 will be used during the direct and cross examination of witnesses at trial.

By this stipulation, Plaintiff and Defendants agree that the determinations made by the Court with respect to a representative product apply to all of the additional accused Everlight products in the same product series as the representative product.
